

Directions - 5 Easy steps

Faro airport is about 50 minutes or 80kms away from the Village House

1 Take the main road out of the airport which is signposted towards Lisbon and look for the signs to the A22 motorway

2 Turn right and stay on the A22 motorway towards Portimao (and past Portimao) and continue on this motorway for about 70km until you see signs for Lagos

3 Take the turning off the A22 after the petrol and service station at **Junction 1** towards Lagos. This takes you down to a large roundabout. Go across this roundabout to the next roundabout. Then take the signs on the N125 towards 'Sagres'

4 Continue along the N125 for about 12 km passing Espiche, Almadena, and Burgau

5 Pass the Eco Marche Supermarket and turn second right down a small road; at the end turn left, drive 100 yards and then turn left into the resort. The reception is on the right as you enter. When you register you will be personally escorted to the property.

The Village House is shown on the map and is number 103

(If you miss the turning off the N125 you will see a sign for **golf** on the right, and a second resort reception will assist you)

We suggest you take children in first and then get your luggage.

When returning to the airport make sure that you reconfirm flights if your airline tells you to, and allow 1 hour to get to the airport and 2 hours before your flight leaves. ie. leave at least 3 hours before your flight ! Even better you may be able to confirm on line and beat the queues
